

BraunAbility

Because Life is a Moving Experience®

Automatic Door

The original vehicle door operator reliably opens the sliding door at the touch of a button.

Kneeling Suspension

As the door opens, the rear suspension "kneels" to reduce the slope of the ramp even further.

Automatic Ramp

The lightweight aluminum foldout ramp extends to allow easy access to the lowered floor interior.

Remote Control

The accessible functions are controlled by the Chrysler remote and several interior switches placed for your convenience.
