

Century XT Series™ eBrochure

With its non-hydraulic spring-loaded roll stop and unique stacking platform that extends to a longer platform length without the need for raised doors, the Century XT Series offers all the benefits of a BraunAbility lift in a streamlined, economical package.

The BraunAbility **Century XT Series** lifts are fully hydraulic in operation, for both the fold/unfold and up/down cycles. Lift operation is controlled by the standard hand-held control, the on-lift controls, or the optional remote control.
